The **8th Annual SAPOA Postal Forum Conference 2020** is taking place on the **10th – 13th February 2020** at the **Coastlands Hotel & Resorts, Durban, South Africa.**

1. I wish to invite you personally to the **8th Annual SAPOA Postal Forum Conference** that will be held on the **10th – 13th February 2020** in **Durban, South Africa.**
2. The SAPOA Postal Forum conference has a superb programme with important and outstanding speakers addressing the most pertinent issues affecting the Post & Logistics today. The theme for this year is: "Digital Transformation in the Post & Logistics industry".
3. Presentations by **Technology Suppliers'** will be about the latest tools and solutions to assist posts & logistics companies to deliver on products and services to meet the needs and expectations of customers.
4. There will be sessions held in a **"round table"** layout so that delegates/participants would be able to hear the inputs and then spend time in discussions, around the table, to exchange, share ideas and experiences between different countries and companies.
5. You are allowed to register delegates from your organization to a maximum of 10/ten for free. It is only when you exceed that number that you start paying registration fees and the secretariat would prepare an invoice to that effect.
6. It would be appreciated that among your delegation, you can have the **CIO, CFO** and the **Head of Logistics** for the purposes of some invited sponsors and partners, please.

I look forward to your participation in this important new conference format for our region and continent (Attached is an **Event Overview** for your perusal and attention).
Please be aware of date change due to clash with UPU CA meetings.

Warmest regards

Mr. Janras Serame Kotsi
